

IRIS Pattern – Fabric Requirements

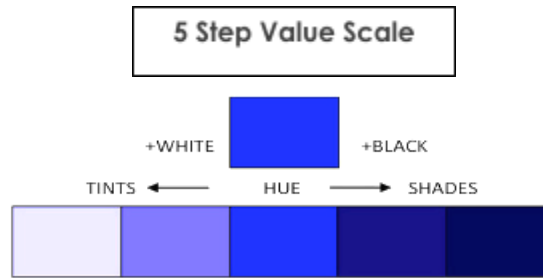

Note: I recommend using Batik fabrics as they are more closely woven with 220 threads per inch which means they tend to fray considerably less and turn out to be a great choice for applique. (Try Batik.com)

Quilt Top

Support Background - 1/2 Yard **black** Batik OR 100% Cotton with high thread count.

***For the project applique, you can bring fat quarters or scraps and do not need to cut these exact size pieces. These sizes are approximate.**
