

# Simple Easy Quilting Ideas on your Domestic Machine

for small community service quilts - ***you can do it!***

# Why quilt your own small quilt?

- Shortage of long arm quilters
- Expedite the production process
- Learn a new skill and broaden your horizons
- Complete an entire quilt from piecing, quilting, and binding

# Tools of the Trade

# Marking Tools

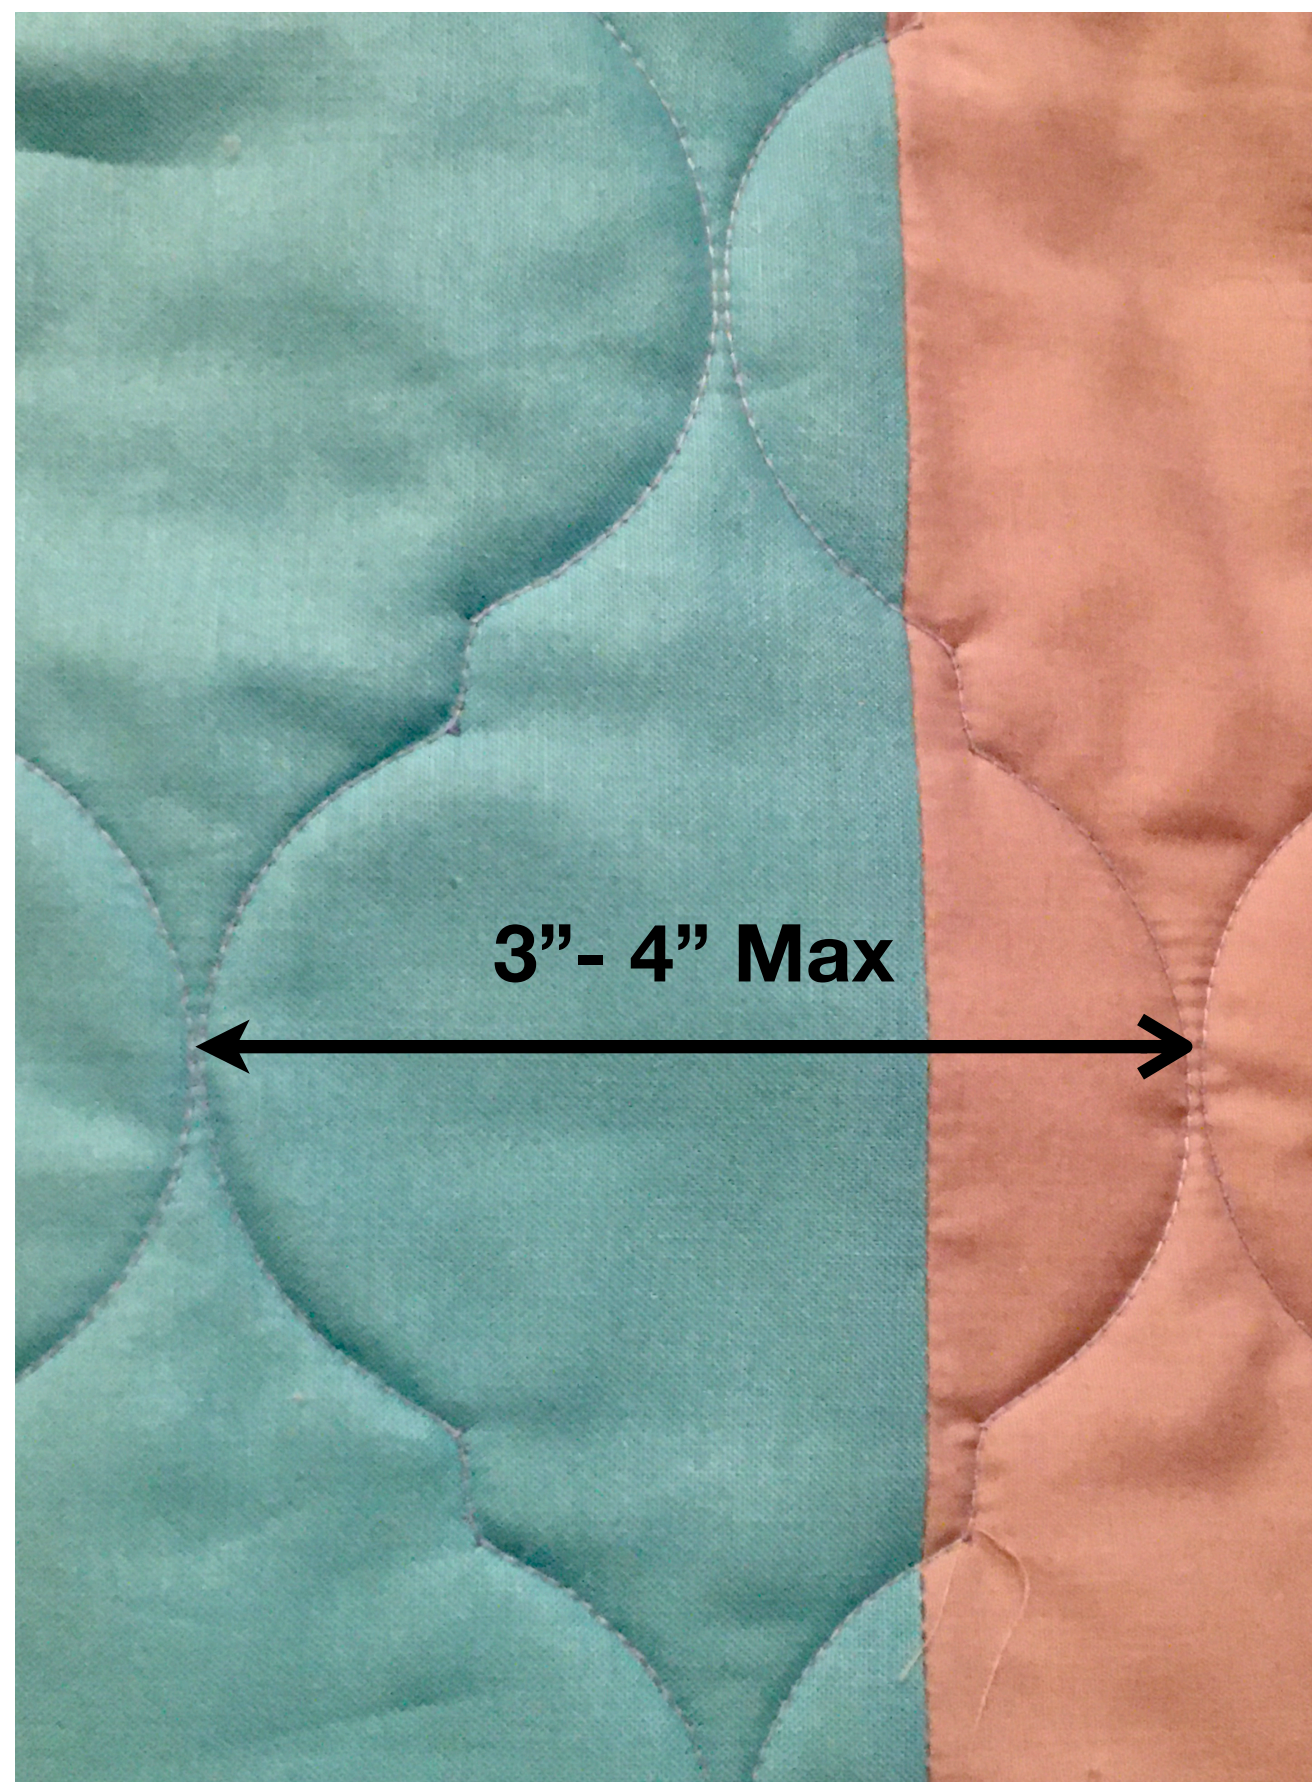

# To Baste or Not?

# Density

- Purpose to secure the three layers
- Prevents batting from bunching up after washing
- Some battings do recommend quilting distance
